

SERVICE SECURITY & STABILITY

2022 ANNUAL REPORT

CHAIRMAN'S REPORT

As I have for the past few years, let me begin by thanking you for being a member. There is no credit union without its member-owners, and we know you have many choices when deciding where to conduct your financial affairs.

Overall, the Credit Union performed well during 2022. USPS FCU grew its loan portfolio by \$26.7 million, exceeding our goal by nearly 50 percent. This strong loan growth was largely driven by demand for mortgage refinancing at the beginning of the year and auto loans. When coupled with other cost control initiatives and the best net interest margin we've achieved in over a decade, USPS FCU realized a net income of \$835 thousand - nearly double what we earned in 2021. USPS FCU also maintained its "well-capitalized" rating by our federal regulator, the NCUA. These are strong financial results for a credit union of our size and are a credit to the hard work of USPS FCU's dedicated management team.

Beyond the financials, I also want to highlight several other accomplishments:

- 1) The Credit Union put a lot of effort into developing an online account opening system. While this feature hasn't launched yet, we are very close to doing so. Despite numerous unexpected setbacks, our leadership team has steadily worked through many obstacles. We hope to launch this new feature by the end of the year, and we believe that it will significantly improve the member experience.
- 2) In 2022, USPS FCU launched a new, improved credit card rewards system and user interface, and issued contactless cards to all members. Additionally, for those always on the go, our credit card

- mobile app now allows cardholders to report upcoming travel and lost/ stolen cards, and to receive a digital replacement card almost instantly. We believe that these changes will improve the competitiveness and convenience and our product offering and enhance the security of our cardholders.
- 3) Over the past year, the Credit Union has spent time exploring opportunities to provide financial services that would expand into markets that were previously underserved. As a result, in 2022 two additional vehicle loan services were introduced. We began offering discounts on eco-friendly vehicles and also began a new loan program that allows us to extend lending services to borrowers who may have less-than-perfect credit scores. With these new programs, we can better serve the underserved. We will continue to explore similar options and programs in 2023 and beyond.

Looking forward, the Board sees opportunities to continue improving the balance sheet, paying competitive rates, and generating net income. Because the Credit Union is well capitalized, and because we continue to put in the time and effort to chart our path forward, your Board is confident in USPS FCU's future and its ability to continue serving its memberowners. We look forward to reporting equally impressive results this time next year.

Respectfully submitted,

John F. RosatoChairman, USPS FCU Board of Directors

An Independent Auditing Firm has audited the accompanying statements of financial condition of the U. S. Postal Service Federal Credit Union as of December 31, 2022, and 2021, and the related statements of income, members' equity and cash flows (not presented herein) for the years then ended; in their report dated April 13, 2022, they expressed an unmodified opinion on those financial statements. These financial statements are the responsibility of the Credit Union's management. The Independent Auditing Firm's responsibility is to express an opinion on these financial statements based on their audits. The condensed financial statements do not constitute a complete set. The complete set, including the statements of changes in members' equity, cash flows and notes to the financial statements, is available in the Credit Union office. We do business in accordance with the Federal Fair Housing Law and the Equal Opportunity Act. It is illegal to discriminate against any person because of race, color, religion, sex or national origin.
